 NETFLIX

**Public pressure on international companies to leave Russia and posts to company pages on wikipedia, whether they operate on the Russian market.**

# Psychological Counseling “Poradnia”

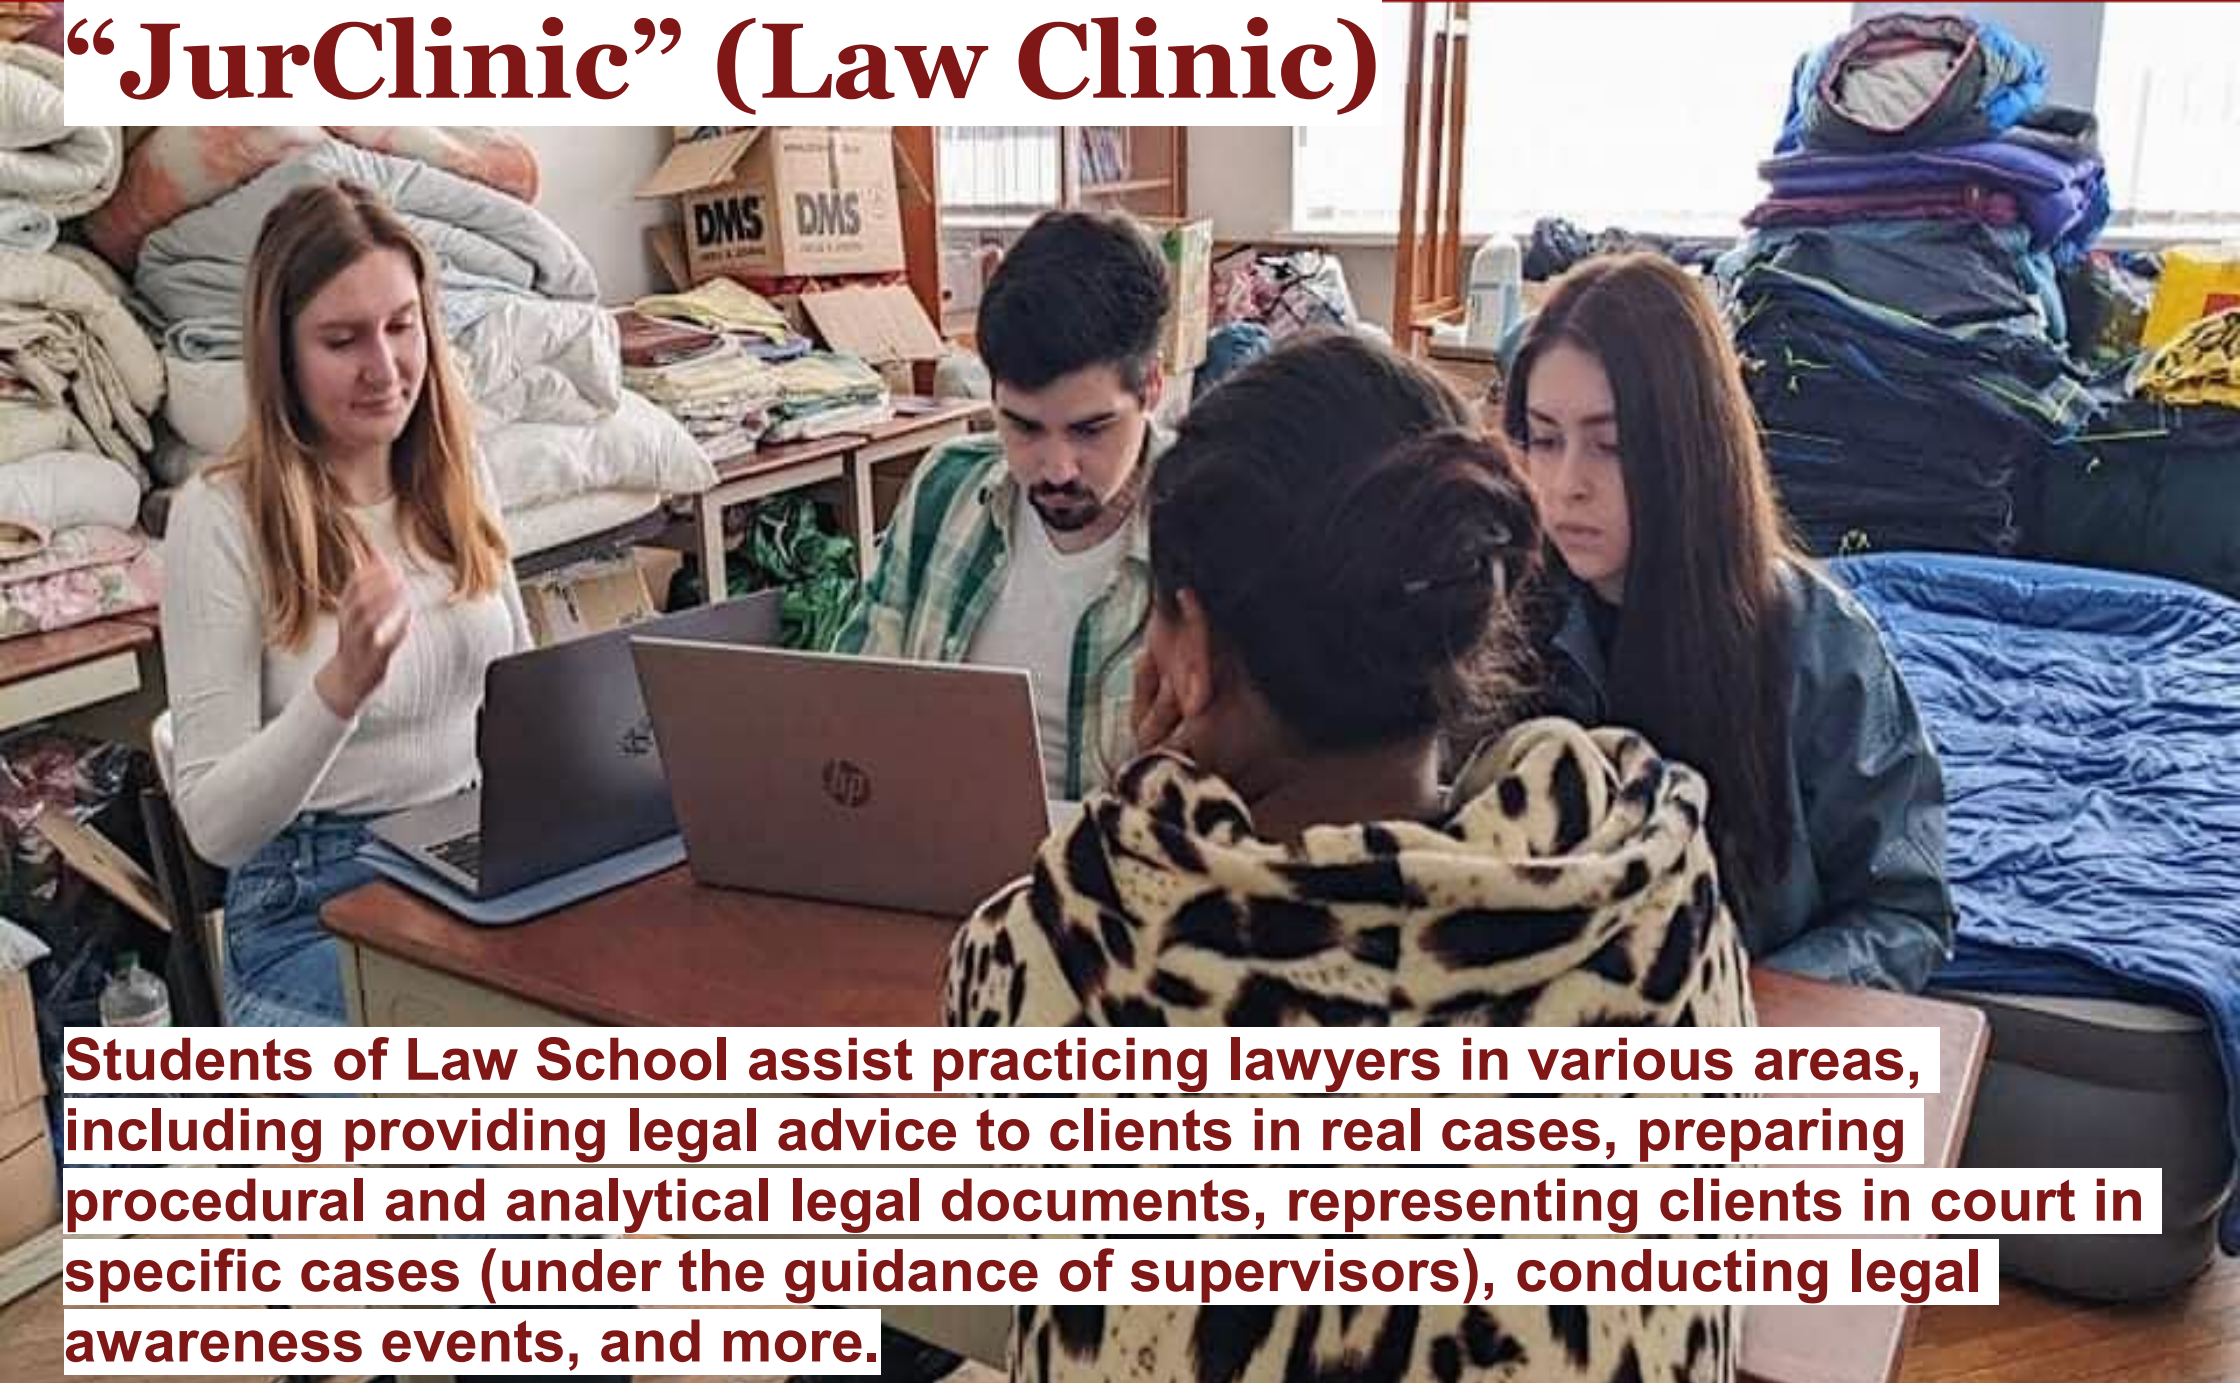

# "Unknown Threat: What Google Tells About the War in Ukraine?"

Students from the School of Journalism and Communications at UCU conducted research to understand the search results provided by the Google search engine to users from different countries when searching for materials about Ukraine.

# “JurClinic” (Law Clinic)

Students of Law School assist practicing lawyers in various areas, including providing legal advice to clients in real cases, preparing procedural and analytical legal documents, representing clients in court in specific cases (under the guidance of supervisors), conducting legal awareness events, and more.

## Areas of work after 2022 (after full scale russian invasion)

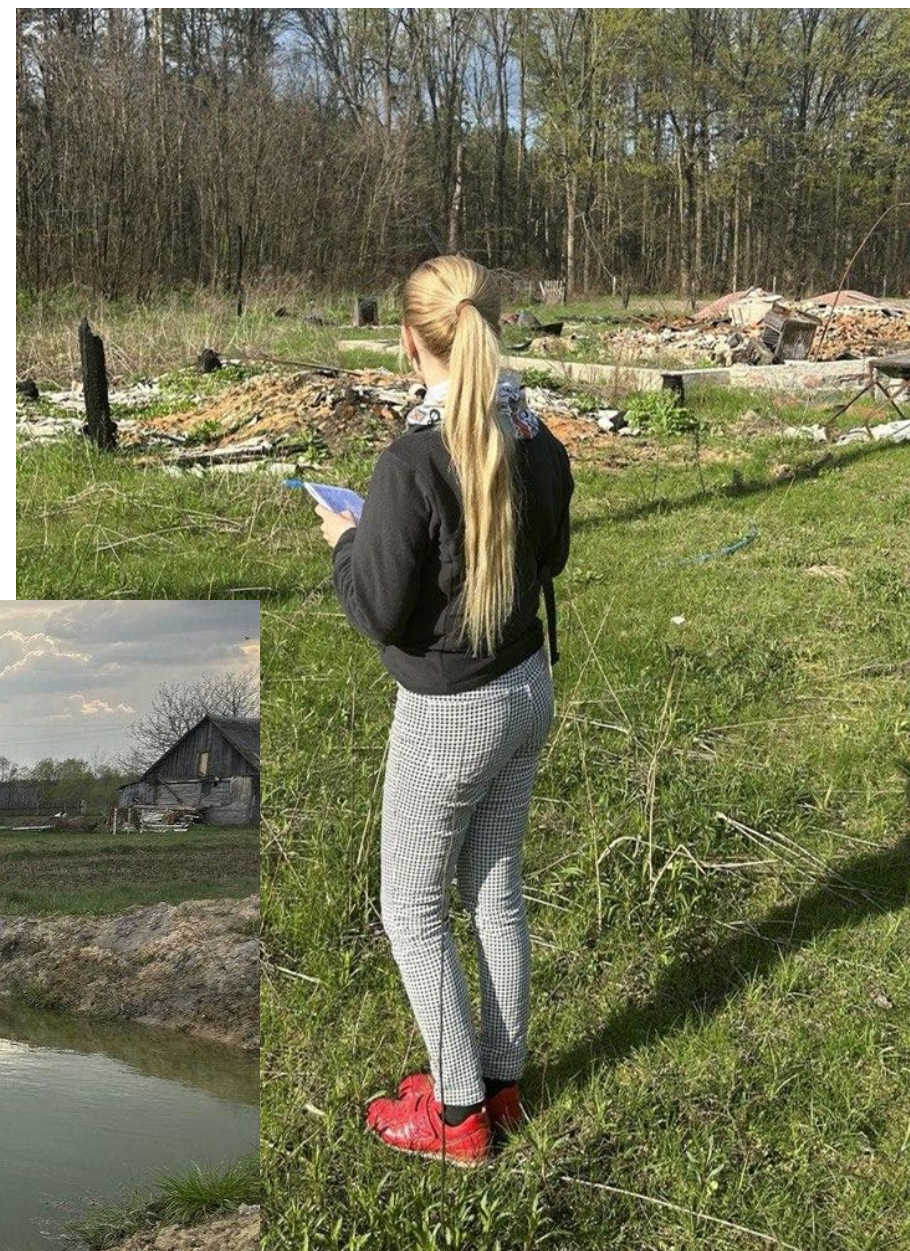

### Free legal aid to:

- **servicemen, veterans and victims of russia - Ukrainian war**
- **IDP**
- **documenting war crimes committed by russia**
- **street-law activities for IDP**

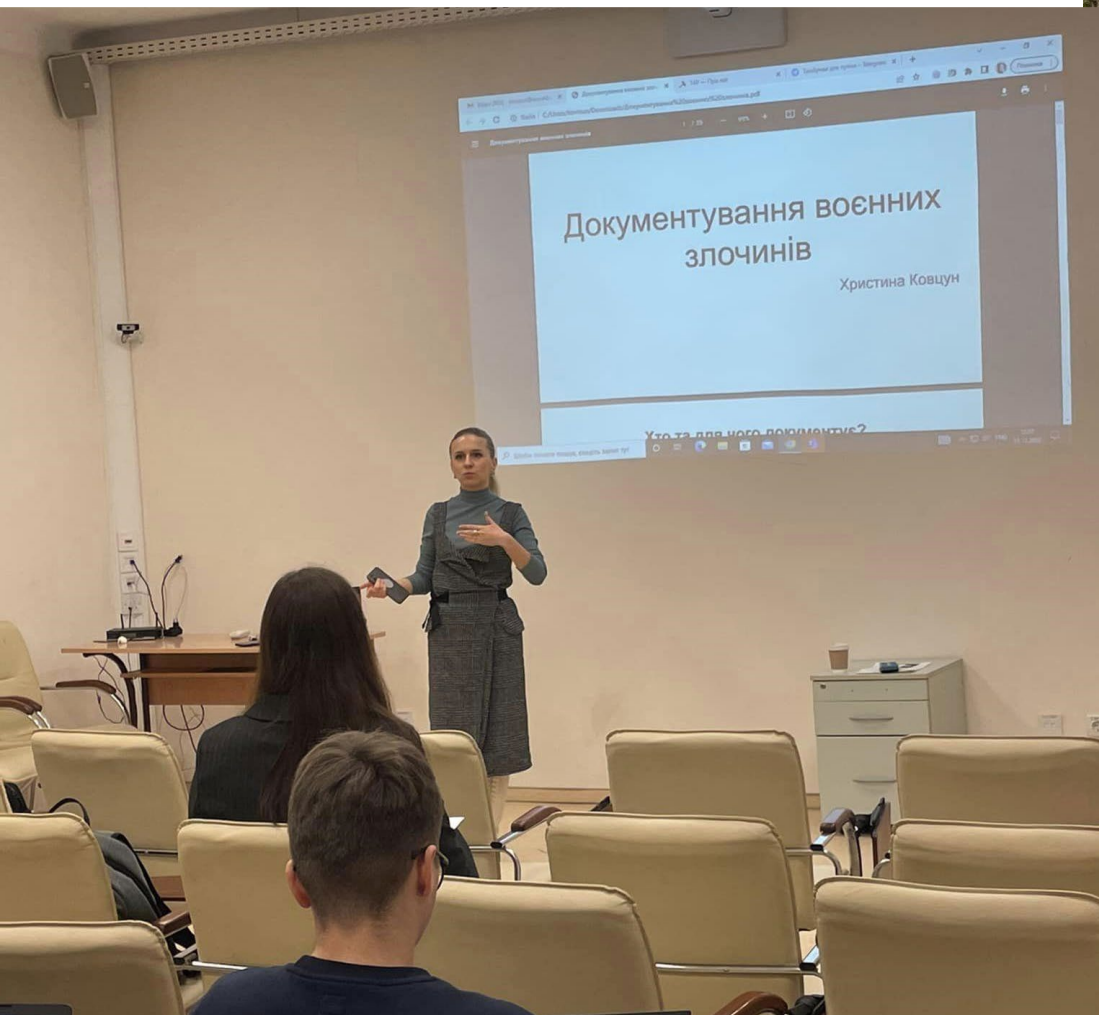

## Documenting war crimes:

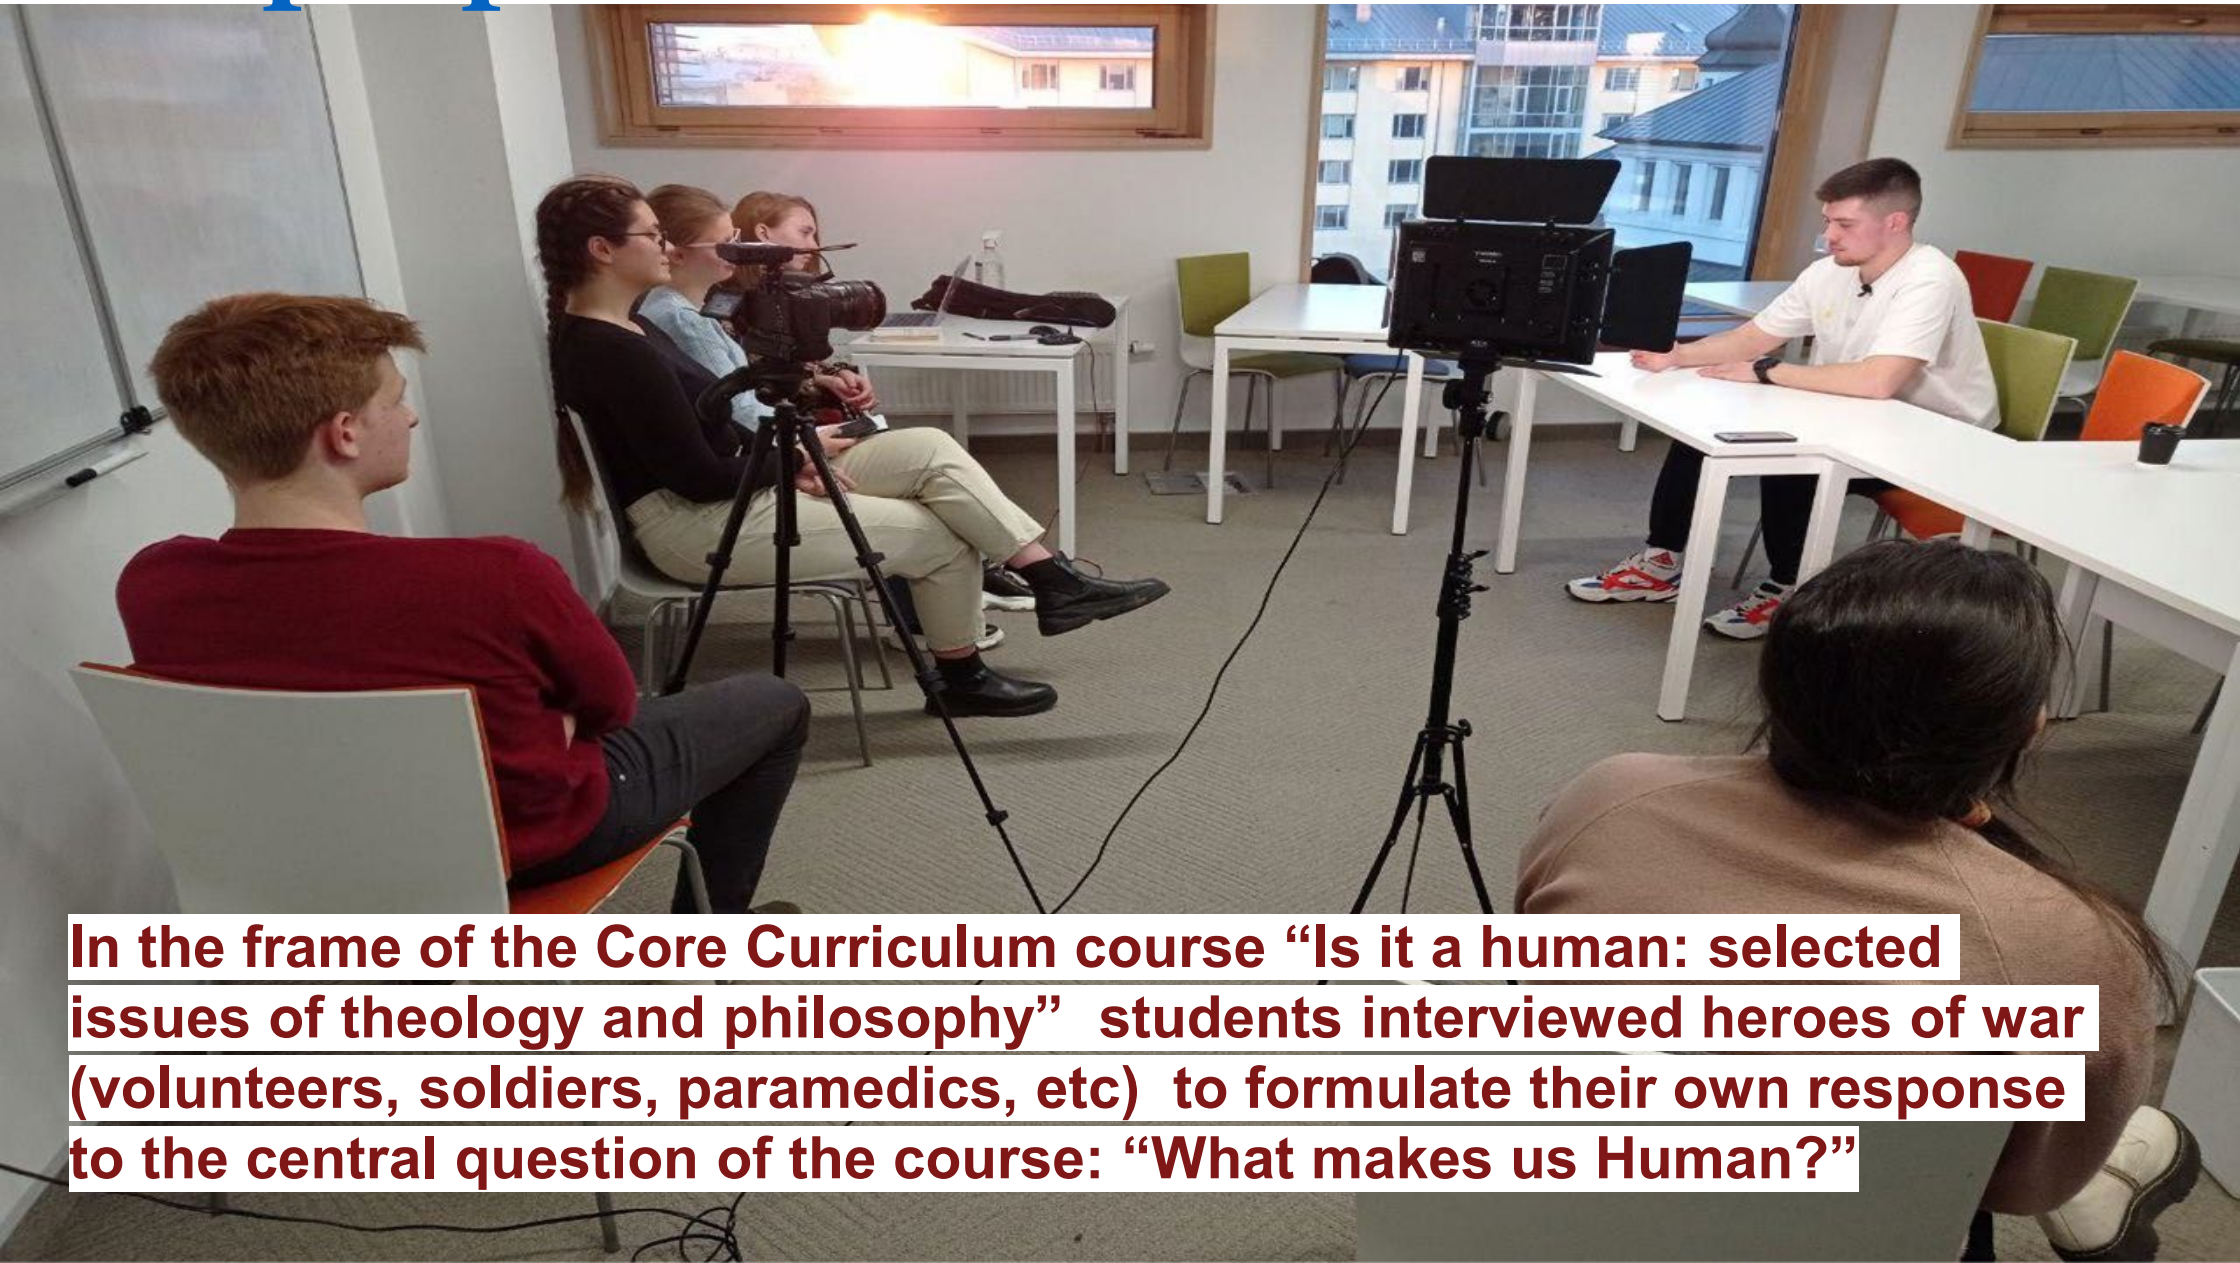

## Documenting war crimes:

**Global Initiative:  
T4P - Tribunal for putin**

# The people of Ukraine

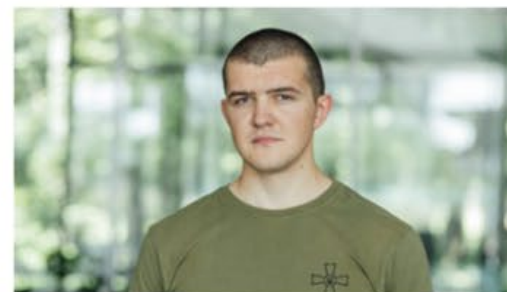

**In the frame of the Core Curriculum course “Is it a human: selected issues of theology and philosophy” students interviewed heroes of war (volunteers, soldiers, paramedics, etc) to formulate their own response to the central question of the course: “What makes us Human?”**
